

CALLING ALL BRIGHT MINDS

At the VELUX Group we work globally with sales and manufacturing operations in more than 40 countries. We create better living environments for people around the world, using daylight and fresh air through the roof – for life, work and play.

Work on projects covering:

- **construction**
- **simulation**
- **design**
- **business**
- **hardware and software**
- **and much more**

Join us, in a setting where every voice is valued – and where you can make an impact.
