Junior Analyst in the Fixed Income team at Nasdaq Copenhagen A/S

Here is a fantastic opportunity to be part of European Fixed Income Listings under Global Trading and Market Services, and an opportunity to work at Nasdaq - a leading global provider of trading, clearing, exchange technology, listing, information, and public company services. As the creator of the world's first electronic stock market, its technology powers more than 100 marketplaces in 50 countries. Nasdaq is home to over 4,000 total listings with a market value of approximately $12 trillion.

Have you just started your 3rd year of a bachelor's degree in finance, accounting, economics, business administration, computer science or similar?

Are you an enthusiastic, dedicated, and proactive person with a strong interest in financial markets? Would you like to gain unique insight into the Nordic Fixed Income markets and work in the intersection of finance and technology?

**Your Role**

**In this role, you will**

- Analyze and interpret a broad spectrum of financial and statistical data for reports to management, regulatory authorities, and issuers
- Assist the team in extracting data from internal databases and external vendors
- Handle time-sensitive client inquiries and investor requests for information
- Control the ongoing invoicing of trading, listing and technical services
- Solve analytical ad hoc tasks mainly related to finance, accounting, and strategy
- Update descriptions of procedures and internal processes
- Work on Nasdaq Sustainable Bond Network
- Work on relevant projects within the ESG space
- Create the annual billing basis and help with administrative tasks

**You can also**

- Uncover automation, outsourcing and harmonization opportunities
- Participate in strategic discussions
Academic and personal qualifications

We expect that you

- Are an ambitious student at a Danish business school or university
- Are an advanced user of Microsoft office and in general tech-savvy
- Are fluent in Danish and English with highly effective communication skills, both verbal and written
- Are well organized and able to handle multiple assignments at once
- Are analytically strong with an ability to see the bigger picture while maintaining attention to detail
- Are a team player who thrives in a collaborative and international work environment
- Assume responsibility on own initiative and show dedication in your work
- Are curious and have a growth mindset

It would be great if you

- Are familiar with SAP Business Objects
- Have a track record of working successfully independently and within a team

We offer

- Steep learning curve
- Approximately 15 hours, extended around the Danish holiday seasons
- Flexible working hours and time off during exams
- Competitive salary
- Occasionally possibility to work from home
